---

## Summary

---

Detail-oriented Information Technology graduate with experience in full-stack web and mobile development and retail operations. Strong in data-driven problem solving, system implementation, and operational efficiency. Proven ability to deliver reliable applications and thrive in fast-paced environments.

## Technical Skills

---

Languages: JavaScript, Java. Frameworks: React, React Native, Laravel, Spring Boot. Backend & API: Firebase, RESTful API. Database: MySQL. Tools: Postman, Midtrans, Google Play Console, Hostinger VPS. Networking: Network Setup & Configuration

## My Recent Project Experience

---

### Full Stack Mobile Sportlink App

- Developed a mobile application using React Native with Firebase backend for authentication and real-time data synchronization.
- Integrated Midtrans payment gateway, enabling secure digital transactions and eliminating manual payment processing.
- Designed and tested RESTful APIs using Postman to ensure stable frontend-backend communication.
- Deployed application on Hostinger VPS and published it via Google Play Console.

### Full Stack Web App YoungCoffe

- Built a full-stack e-commerce website using Laravel with middleware-based authentication and authorization.
- Integrated Midtrans payment gateway to improve checkout efficiency and transaction security.
- Designed and managed MySQL database for product, user, and transaction data.

## Work Experience

---

### PT Midi Utama Tbk (Assistant Chief Store)

2021 – 2026

- Supervised daily store operations, staff scheduling, and sales performance.
- Managed inventory control and coordinated with suppliers to meet operational targets.
- Applied analytical and problem-solving skills to improve operational efficiency.

### Samsung & Platinum Computer (Promotor, Computer & Network Technician)

2018 – 2020

- Assisted customers in selecting computers, peripherals, and software solutions.
- Provided technical support and basic network setup.
- Delivered product demonstrations and technical explanations to support sales.

## Education

---

Teknologi Informasi Universitas Bina Sarana Informatika (SI) Cum Laude | GPA 3.77

2021 – 2025

## Portfolio
